Re-Elect Callum Robertson to the East of England Executive

I am delighted to be standing for re-election to the East of England Liberal Democrat Regional Executive.

A record of action

- Worked to get PPC's in many seats as a Returning Officer including: South Cambs, Chelmsford, Broxbourne and more!
- Helped in many by-elections across the East of England including in St Neots, Watford, Three Rivers, Dacorum and Hertsmere.
- Coordinated cross-local party work in South Herts ahead of the new unitary elections including membership events.

A promise of more

- Dedicated training on increasing activism rates in local parties - aiming to increase the number of council candidates, councillors and members.
- Coordinating work between local parties in the lead up to Local Government Reorganisation across the East of England including supporting local parties to come together.
- Working for more efficient candidate selection for PPCs and for the Lib Dems to take Mayoral Elections seriously.

Vote Robertson for competent leadership.
