JOJO GODFREY

Leadership. Inclusion. Action.

Ordinary Member | East of England Regional Executive

I show up. I listen. I bring people in.

I'm standing to help build a stronger, more welcoming regional party, where members feel heard and have the support to get involved.

EXPERIENCE I WILL BRING

As a former St Albans Engagement Motivator, I helped recruit volunteers and bring people into campaigning. I am an approved Parliamentary candidate, part of my local party's campaign team and LDCRE Membership Secretary. My community work has taught me to listen, build relationships and follow through.

SUPPORT OUR MEMBERS
