Will Tennison for East of England Conference Committee

MY EXPERIENCE

- Federal Chair of the Young Liberals (2025–2026)
- 2 years on the Young Liberals Events Committee
- Oversaw delivery of Young Liberals Summer Conference 2026
- Organised events and training at Federal Conferences
- 2 terms on East of England Regional Executive

My Conference Promises:

1) Make Conference More First-Timer Friendly

Too many members don't know what happens at conference or how they can get involved. I'll champion better promotion of conference, clearer information about what's on offer and more support for first-time attendees, helping more members feel welcome and confident taking part.

2) Build on Our Fringe and Exhibition

Our fringe and exhibition have huge potential but are currently underutilised. Having introduced the first-ever Young Liberals fringe schedule, helping to make our conference profitable, I want to bring that experience to the region. I'll champion a stronger fringe programme, greater involvement from external organisations and a more engaging exhibition.

3) Diversify Guests and Create New Opportunities

Our most recent conference brought together a wider range of voices and perspectives. I want to build on that work by continuing to diversify our speakers and guests, while exploring new opportunities for members to engage with organisations, experts and communities beyond the party.
